Sir,

Sub: Discrepancies noted in the Elections  
expenditure incurred by LDF  
Candidate Sri. Soju Crossge - reg.

Ref: Letter No. DC 15K/1218/22/F3  
dated 11.4.24 of District Elections  
officer and Returning officer.

As per reference cited above we have been  
informed that certain discrepancies were noted in  
regarding elections expenditure in Candidate  
register. It is also informed that as per SOR till  
9.4.24 Candidate expenditure was estimated at  
Rs: 22.70 lakhs and we have recorded only Rs: 1.06  
lakhs during the period. In this connection  
we may kindly submit the following facts for  
your considerations.

Expenditure so far incurred in connection  
with elections campaigns including Campaign  
programme of Star Campaigners was spent by  
LDF Assembly Mandalam Committees in the  
Constituency. We have not yet received the  
payments details from concerned Assembly  
Mandalam Committee. In order to account the  
expenditure so far incurred, we have taken  
steps to collect the expenditure details from  
Assembly Mandalam Committee. Some delay  
has been occurred in obtaining expenditure bills  
by LDF Assembly Mandalam Committees. In

Various parts of the Parliament Constituency well wishers sponsored so many cutout, hoarding of ADF Candidate with their own expense. We have taken necessary steps to collect such details immediately so as to account such expenditure in Candidate Register. Even though we have displayed boards and cloth banners as part of Campaigning Programme, Payment bill of the above items from suppliers not yet received. Like wise Payment bills of Printing materials are also pending.

We humbly inform you that we will account all expenditures without much delay.

Idulelai

Sir/Madam,

**Sub: Explanation submitted by Adv. Joice George**

**Ref: Notice No. DCIDCK/1996/2024-F5 dated 15/04/2024 issued  
by your Office**

As per your above referred notice, I am required to submit my explanation in respect of some discrepancies pointed out in the said notice.

I may submit my explanation in respect of each of the discrepancies pointed out as follows:

1. As per Discrepancy No.1, it is pointed that the expenses for vehicles based on permission is not seen added in the day to day account submitted by me as well as per the register. It is true that the expenses for vehicles based on permission are to be accounted. But the said expenses are being managed by the respective Assembly Mandalam Committees. All the said accounts are yet to be received and coordinated. It is in the said circumstances that only an amount of Rs.56,000/- alone was shown in the accounts already submitted. Once we receive the details regarding the said expense from the concerned Assembly Mandalam Committees, the same will be incorporated without fail. In this regard, we may also submit that the LDF Committee had taken a decision not to conduct any election propaganda during the auspicious days of Vishu and Eid al-Fitr. Apart

from the above, we have already taken a decision to cancel the permission obtained in respect of 21 numbers of vehicles and request for cancellation has already been submitted before the RO vide letter dated 17/04/2024.

2. In reply to Discrepancy No. 2, referred to in the above notice, we may submit that the assessment made in the notice is not correct. In fact, the expense shown in this regard as per the Candidate Register is true and correct statement. In this regard, we may point out that as per the Assessment earlier made in the notice dated 14/04/2024, expense for the said item is shown at Rs.8,68,155/- only. After the said date, we have not erected any new boards with wooden frames. It is true that the location/site of some such boards were changed so as to make the campaigning more effective. But as already submitted above, no new installations were made.

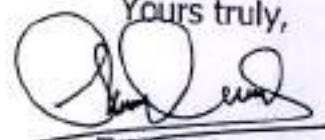

In this regard, we also want to submit that the rate fixed at Rs.30/- per square feet with respect to board with wooden frames and cloth banners is excessive and much above the actual cost prevailing in the area. In fact, as we all know, the cost incurred in that regard in hilly areas of the constituency is much lower than that of the urban areas. This is because, in the hilly areas, the labour cost is much lower than the urban area especially due to lesser cost of living and the availability of larger labour force and raw materials. Even though, our representative, during the meeting held for fixing the rates, had pointed out the above unrealistic way of fixing the rate, this said objections were ignored. It was in such circumstances that the above exorbitant rate happened to be fixed. For the above reasons (1) the mistake in the extent of square feet shown in the shadow register and (2) the exorbitant rate, the said discrepancy noted as Sl.No.2 in your notice, above referred, may kindly be reviewed.

3. It is also submitted that a similar objection has been raised by our representative in the rate fixation meeting regarding the rate fixed for other items also. This is because a casual verification of the rates now fixed in comparison with the prevailing rates in the area would

show that the rate fixed in the meeting is excessive and unrealistic. But the said objection also was rejected without a reason.

4. Regarding Discrepancy No.3, we have shown only the accounts received from the LDF Assembly Committees so far, some more accounts are yet to be received and we will be accounting the same once the said details are received.
5. Regarding Discrepancy No.4, it is submitted that as in the case of wall writing, the accounts are yet to be received from the LDF Assembly Committees so far, and once we receive the same, we will be accounting the same.
6. Apart from the above aspect, we may point out our grievances that as per our understanding, the total expenses as per the Shadow Register maintained for the UDF candidate, the total expenditure till today is said to be around Rs.12 to 15 Lakhs, whereas, expenditure noted as against the LDF candidate is around Rs.35 Lakhs. But an overall inspection in the constituency would show that the campaigning and propaganda being carried out by the UDF candidate is neck to neck with our candidate. In fact, we are not using normal hoardings, digital flex boards, which are being widely used at every important junction of the constituency by the UDF candidate. Further, vehicles fixed with digital flexes are also being used in the campaigning of the UDF candidate. But still, their expenses are shown to be that much lesser than my accounts and expenses. This aspect is also being pointed out for you kind notice.

Yours truly,

**E.M. Subash**

**Sub: Explanation submitted by the LDF candidate Sri. Joice George**

**Ref: Notice No. DCIDK/1996/2024-F5 dated 24.04.2024**

With reference to the above we may submit the following explanations in respect of each of the discrepancies pointed out as follows:

- i. As per discrepancy No. 1, it is pointed out that expense for public meetings for an amount of Rs. 434565 is not accounted for in the Candidate's Register. Expenses in connection with public meetings are being managed by LDF Assembly Mandalam Committees concerned and we have taken steps to collect and co-ordinate the details from them. Once we receive the details regarding the said expenses from the LDF Assembly Mandalam Committees concerned, we will incorporate the same without fail.
- ii. As per discrepancy No. 2, it is pointed out that expense for public meetings with star campaigners are estimated for an amount of Rs. 634730 to be accounted. We have already accounted for some expenses and more details are yet to be received from LDF Assembly Mandalam Committees concerned. In this connection we may point out that star campaigners meeting expenses assessed by the SOR team is much higher than our actual expenses. We may inform you that the assessment made in the notice is not correct. Steps are being taken to collect the said expenses and the same will be accounted in the Candidate's Register without fail.

- iii. Regarding discrepancy No. 3, we may submit that the assessment made in the notice is not correct. Assessment made as per the SOR is too high than that of the actual expense. In this regard we may invite your kind attention to the facts pointed out in our earlier explanation by us dated 17/04/2024. This Explanation may also be treated as a part and continuation of the previous explanation submitted on 17/04/2024. No new installation of boards and hoardings were made after 17/04/2024. Some more details regarding the expenses are yet to be received from the respective Assembly Mandalam Committees concerned.
